PRESIDENT'S
COMMISSION ON WHITE HOUSE FELLOWSHIPS
THE WHITE HOUSE

June 20, 1984

The Honorable William J. Casey
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Casey:

On behalf of Admiral Stockdale and the Commission, I respectfully acknowledge [redacted] letter of May 4 but ask that you reconsider your decision not to interview any of the 1984-85 White House Fellows announced by the President on June 11. The White House press release announcing the 13 new Fellows is enclosed. STAT

I have studied the backgrounds and qualifications of the Fellows and have discussed with them their interests in various agencies. I think the following Fellows particularly deserve consideration and ask that you look at their files and consider interviewing them during the week they will be in town:

[redacted] STAT

The attached memorandum gives detailed information on the placement process, salary arrangements, and so forth.

The Central Intelligence Agency has had White House Fellows in the recent past. Attached is a list of those Fellows and the years they served.

I hope we can work together to give the President's newly selected Fellows the placement opportunities experienced by their predecessors over the 20-year history of the program. Please call if you have any questions or if I can be of assistance in any way.

Sincerely,

Charles L. Heatherly
Director
